New products 2006

Rousseau has unveiled some new products that are designed specifically for the automotive market. We are proud to introduce over a dozen new items that can be added to any new layout, as well as be added to your current installations.

SERVICE DEPARTMENT

THE WALL-MOUNTED MONITOR TRAY WITH HEAVY-DUTY ARTICULATING ARM

Ideal for a mechanic station, this tray is designed specifically to support a monitor or electronic device. It includes an 18", heavy-duty arm with double articulation, a rubber mat and handle. The mouse support can be used on either the right or left side.

Mounting tray with double articulating arm: WM64-02

SIDE CABINET WITH FRONT ACCESS

Our side cabinet efficiently stores bulky items, allowing you to optimize the storage capacity of your mobile cabinet. The new side cabinet is available in 4 heights, each available in 3 depths. There is a choice of a solid or glass door, and the option of fixed or roll-out shelves. In total, there are 48 proposals.

Contact your customer service representative for the perfect combination with your Rousseau tool cabinet.

R5XSE-3001

WSA7010

TRANSMISSION BENCH

This bench is designed for clean and efficient dispersion of fluids when repairing a transmission. The top has an edge to avoid spills while the oil is draining. The stainless steel surface is equipped with a threaded drain (2" in diameter) in order to connect the table to a drainage pipe.

W X D	28" H	32" H	34" H
48" x 30"	WS_7000	WS_7010	WS_7020
48" x 36"	WS_7001	WS_7011	WS_7021
60" x 30"	WS_7002	WS_7012	WS_7022
60" x 36"	WS_7003	WS_7013	WS_7023

The model numbers should be completed according to the chosen options.

Single loop hooks :

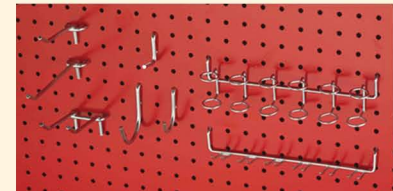

WM97-150/200

Double back single hooks :

WM98-03/05

Double back double hooks :

WM99-05

LABEL HOLDERS FOR DRAWER ACCESSORIES

Our label holders are easy to read as they are made of transparent, matte finished plastic. They accept 1/2", 3/4", or 7/8" high paper strips and are equipped with a protective flap. Once clipped in place, the label holders clasp well and do not come off when retrieving objects. They are available with an adhesive strip when using with Rousseau plastic bins.

Label holder for divider :

2 3/4" W : RG51-275

Label holder for plastic bin :

2" W : RG52-200

Paper strips (package of 200) :

2 3/4" W : RG53-275875
